I am writing to support the Proposed H.B. No. 6038 AN ACT REQUIRING THE USE OF GENDER-NEUTRAL "PEOPLE AT WORK" SIGNS BY THE DEPARTMENT OF TRANSPORTATION. (TRA).

It has been an oversight to focus only on men when women are working side by side and need to be acknowledged. I am glad that this oversight is being corrected and request that legislators give full consideration to the proposed bill and approve it.

Women have fought for right to full employment and elimination of discrimination in the workplace and the next step is to acknowledge that they are working side by side men. The gender neutral language will go a long way to recognize this.

Thank you for your consideration.
